

# Savalas

OMF Delivery

Duplicate your sequence

Remove all video from the duplicate sequence

Remove all plug-ins

Keep all dissolves and volume automation – This data will translate to Pro Tools

Export to OMF

Export OMF2 'Embedded'

Handles should be a minimum of 75 frames.

OMF maximum file size is 2 GB. If your project is larger than 2 GB, please split your project horizontally. I.e deliver Tracks 1 to 4 as one OMF and tracks 5-8 as another
